

MEETING MINUTES: 2/10/25

The February 2025 meeting of WLPA was called to order by President Sue.

The treasurers report was read by Carol Heacox. which included the 2024 Year End Income and Expense Statement.

Discussion concerning the harvester followed. Sue summarized what was discussed at the Board meeting (the end of January): Keith LeComte's active role would be divided up among member volunteers. Bob Rehm and Sue Rathsack will keep the diesel fuel cans full and driver forms will be re-evaluated for prompt post harvesting records. Logs include: how many loads, where the harvesting took place, any equipment needs addressed, etc., making the year end report easier to compile. WPLA is hoping at least two of last year's drivers return, which would mean less training hours and easier to begin a new season, however, we could use additional part time drivers (\$20/hour) so if any member would like to drive, or know mechanically inclined others that would, please contact Sue at: (920-698-2372)

Dave Thomas shared the history of his involvement with the harvester over the years, along with several dedicated volunteers, they made many upgrades, extending it's life and saving the organization a lot of money. The club is most grateful for these efforts! In that vein, Keith has been invited to the March meeting. Come share a drink with him.

The following Board member replacements: Rod Fredrickson and Debbie Sitter will replace Keith LeComte and Bob Rehm, and Mike McLaren replaces Warren Zier, VP. Thank you, outgoing three, for your service.

Please note that membership and riparian lane forms have been emailed to all lake residents (as the cost of stamps has gone up so much) and are due by March 30.

Spring Bash: ideas for earlier attendance were discussed. Raffle baskets donations are due April 1st to Debbie Sitter or Sue Rathsack @. Music will be by Bella Music and Sandi Zier has volunteered to make the meat dishes and donate a quilt. Thank you, Sandi.

Iola Car Show July 10-12: More info to come.

The meeting was adjourned.

Next meeting: Monday, March 10 at **4:30 PM. Please note the different start time.**

Carol Bentley,

Secretary
