Hour and a half shifts were agreed upon and sign up needs will be sent in an email soon and will be passed around at the April meeting. New Business: the 2025 Iola Car Show is July 10, 11, 12. Set up days are Monday, June 16 and the 24th from 9 am until done. Bob Rehm (414-559-0856) devotes much time and energy to organize this and is greatly appreciated. Please note these dates and come help out! Upcoming meetings will further organize the car show so stay tuned.

Bob reported that the east landing at White Lake City will need improvements as the ice has pushed up the 1'x1'x12' cement slabs. Discussion followed: we will see what is needed once ice is out. Sue did reach out to the Town of Royalton and is awaiting a reply.

As these two events are how we finance the harvester to keep it running and the boat lanes open (as well as the upcoming required lake survey), please consider helping out. Items for the bake sale table as well as raffle basket items are appreciated!

Contact Sue before April 1st (920-698-2372) or Debbie Sitter (262-442-4242).

Next meeting: April 14 at 4:30, Willow Pond.

Carol Bentley,

Secretary
